

REGIONAL CHAMPIONSHIP TIEBREAKER PROCEDURES

Two teams tied for 2nd place:

If one of the teams wins a majority of the head-to-head sets in pool play, that team will get the higher finish. If the teams split in the pool, there will be a one set playoff to 15 points. The team who won the pool will officiate.

Two teams tied for 1st or 3rd place:

The team that wins the majority of the head-to-head sets in pool play will be the higher finisher. If they split, then the team with the best point differential will be the higher finisher. There will not be a tie breaking set played.

Three teams tied for 1st place:

The teams will be ranked by point differential. The first ranked team will finish first and referee one set to 15 points involving the 2nd ranked team and the 3rd ranked team.

Three teams tied for 2nd place:

The team will be ranked by point differential. The 1st ranked team will referee one set to 15 points involving the 2nd ranked team and the 3rd ranked team. The winner of that set will play one set to 15 points vs. the 1st ranked team, with the loser refereeing and being the 4th place team of that pool. The winner of the 2nd set will be the 2nd place finishing team and the loser will be the 3rd place finishing team.

NOTE: All point differentials will be for the entire pool, not the head-to-head match.
